

Introduction to the model safeguarding policy

Writing a safeguarding policy can seem daunting. We hope that in providing a model which can be easily adapted to reflect your work with children, young people and adults who have care and support needs*, you will find this easier.

The model includes guidance notes which explain the reasons for each element of the policy. No two organisations are the same and each place of worship is likely to provide different services and activities for children and adults in need of protection. For example one church may have a traditional Sunday School and a mid week children's club, whilst a neighbouring church may provide a children's bus ministry, have a skate park for young people, work with the police and council in providing services to vulnerable people over a weekend, have an outreach service for homeless people and provide a luncheon club for older people during the week. Some organisations may work overseas.

It is due to this variety that the policy also includes good practice safeguarding guidelines, both general ones applicable to all, and specific guidelines for particular activities.

The policy and procedures have been divided into five sections covering all 10 CCPAS safeguarding standards. Once completed you, can check your policy against the checklist, which can be found at the following: <http://files.ccpas.co.uk/members/Safe-Secure/SafeguardingPolicyChecklist.pdf>

PLEASE NOTE: You no longer need to log a copy of your policy with CCPAS.

Along with details of the organisation and a statement of intent and commitment to safeguarding, the policy covers the following sections:

Our commitment

As a Leadership we recognise the need to provide a safe and caring environment for children, young people and adults. We acknowledge that children, young people and adults can be the victims of physical, sexual and emotional abuse, and neglect. We accept the UN Universal Declaration of Human Rights and the International Covenant of Human Rights, which states that everyone is entitled to "all the rights and freedoms set forth therein, without distinction of any kind, such as race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other

status". We also concur with the Convention on the Rights of the Child which states that children should be able to develop their full potential, free from hunger and want, neglect and abuse. They have a right to be protected from "all forms of physical or mental violence, injury or abuse, neglect or negligent treatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s), or any other person who has care of the child." As a Leadership we have therefore adopted the procedures set out in this safeguarding policy in accordance with statutory guidance. We are committed to build constructive links with statutory and voluntary agencies involved in safeguarding.

The policy and attached practice guidelines are based on the ten **Safe and Secure** safeguarding standards published by the Churches' Child Protection Advisory Service (CCPAS) and prepared in consultation with **Bristol Diocese**.

The Leadership undertakes to:

- endorse and follow all national and local safeguarding legislation and procedures, in addition to the international conventions outlined above.
- provide on-going safeguarding training for all its workers and will regularly review the operational guidelines attached.
- ensure that the premises meet the requirements of the Equality Act 2010 and all other relevant legislation, and that it is welcoming and inclusive.
- support the Safeguarding Coordinator(s) in their work and in any action they may need to take in order to protect children and adults with care and support needs.
- the Leadership agrees not to allow the document to be copied by other organisations.

SECTION 2

Recognising and responding appropriately to an allegation or suspicion of abuse

Understanding abuse and neglect

Defining child abuse or abuse against an adult is a difficult and complex issue. A person may abuse by inflicting harm, or failing to prevent harm. Children and adults in need of protection may be abused within a family, an institution or a community setting. Very often the abuser is known or in a trusted relationship with the child or adult.

In order to safeguard those in our places of worship and organisations we adhere to the UN Convention on the Rights of the Child and have as our starting point as a definition of abuse, Article 19 which states:

1. Parties shall take all appropriate legislative, administrative, social and educational measures to protect the child from all forms of physical or mental violence, injury or abuse, neglect or negligent treatment, maltreatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s) or any other person who has the care of the child.

2. Such protective measures should, as appropriate, include effective procedures for the establishment of social programmes to provide necessary support for the child and for those who have the care of the child, as well as for other forms of prevention and for identification, reporting, referral, investigation, treatment and follow-up of instances of child maltreatment described heretofore, and, as appropriate, for judicial involvement.

Also for adults the UN Universal Declaration of Human Rights with particular reference to Article 5 which states:

No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.

Detailed definitions, and signs and indicators of abuse, as well as how to respond to a disclosure of abuse, are included here in our policy.

Definitions of abuse:

Abuse is the causing of harm to Children and Vulnerable Adults by any of the following means:

Physical, Sexual, Neglect, Emotional, Domestic Violence, Organisational, Discrimination, Financial, Slavery, Self Neglect and Spiritual Abuse.

Signs and indicators of abuse:

Changes in behaviour, unexplained injuries, financial changes, for details see appendix.

How to respond to a child wishing to disclose abuse:

Listen and take it seriously, use open questions, re-assure them, tell them that this needs to be passed on to someone who can help. Record everything that is said in their own words and dates and times. Don't investigate further but seek advice.

Safeguarding awareness

The Leadership is committed to on-going safeguarding training and development opportunities for all workers, developing a culture of awareness of safeguarding issues to help protect everyone. All our workers will receive induction training and undertake recognised safeguarding training on a regular basis :

Bristol Diocese

The Leadership will also ensure that children and adults with care and support needs are provided with information on where to get help and advice in relation to abuse, discrimination, bullying or any other matter where they have a concern.

Safeguarding Officer's details are on the PCC Notice Board along with Information Leaflets of where help can be obtained from.

RESPONDING TO ALLEGATIONS OF ABUSE

Under no circumstances should a worker carry out their own investigation into an allegation or suspicion of abuse. Following procedures as below:

- The person in receipt of allegations or suspicions of abuse should report concerns as soon as possible to **Heather Wayborn** (hereafter the "Safeguarding Co-ordinator") tel. no: **0117 9754616** or **Anita Featherstone** (Safeguarding Deputy) tel no: **01275 837902** who are nominated by the Leadership to act on their behalf in dealing with the allegation or suspicion of neglect or abuse, including referring the matter on to the statutory authorities.
- In the absence of the Safeguarding Co-ordinator or, if the suspicions in any way involve the Safeguarding Co-ordinator, then the report should be made to : **Rev. Martin Hancock** (hereafter the "Deputy ") tel no: **01275 892469** If the suspicions implicate both the Safeguarding Co-ordinator and the Deputy, then the report should be made in the first instance to the Churches' Child Protection Advisory Service (CCPAS) PO Box 133, Swanley, Kent, BR8 7UQ. Telephone 0845 120 4550. Alternatively contact Social Services or the police.
- Where the concern is about a child the Safeguarding Co-ordinator should contact Children's Social Services. Where the concern is regarding an adult in need of protection contact Adult Social Services or take advice from CCPAS as above.

The local Children's Social Services office telephone number (office hours) is 0117 903 6444 or 0117 903 1414 for the Broadwalk Office

The out of hours emergency number is 01454 615 165

The local Adult Social Services office telephone number (office hours) is 0117 922 2700

The out of hours emergency number is 01454 615 165

The Police Protection Team telephone number is 101 & ask for Safeguarding Co-ordination Unit or, in emergency. Dial 999

- The Safeguarding Co-ordinator **may** need to inform others depending on the circumstances and/or nature of the concern:

Diocesan Safeguarding Advisor: Adam Bond 01179060100

- Suspicions must not be discussed with anyone other than those nominated above. A written record of the concerns should be made in accordance with these procedures and kept in a secure place.
- Whilst allegations or suspicions of abuse will normally be reported to the Safeguarding Co-ordinator, the absence of the Safeguarding Co-ordinator or Deputy should not delay referral to Social Services, the Police or taking advice from CCPAS.
- The Leadership will support the Safeguarding Co-ordinator/Deputy in their role, and accept that any information they may have in their possession will be shared in a strictly limited way on a need to know basis.
- It is, of course, the right of any individual as a citizen to make a direct referral to the safeguarding agencies or seek advice from CCPAS, although the Leadership hope that members of the place of worship / organisation will use this procedure. If, however, the individual with the concern feels that the Safeguarding Co-ordinator/Deputy has not responded appropriately, or where they have a disagreement with the Safeguarding Co-ordinator(s) as to the appropriateness of a referral they are free to contact an outside agency direct. We hope by making this statement that the Leadership demonstrate its commitment to effective safeguarding and the protection of all those who are vulnerable.

The role of the safeguarding co-ordinator/ deputy is to collate and clarify the precise details of the allegation or suspicion and pass this information on to statutory agencies who have a legal duty to investigate.

Detailed procedures where there is a concern about a child:

Allegations of physical injury, neglect or emotional abuse.

If a child has a physical injury, a symptom of neglect or where there are concerns about emotional abuse, the Safeguarding Co-ordinator/Deputy will:

- Not tell the parents or carers unless advised to do so, having contacted Children's Social Services.

SECTION 3

Prevention

Safer recruitment

The Leadership will ensure all workers will be appointed, trained, supported and supervised in accordance with government guidance on safe recruitment. This includes ensuring that:

- There is a written job description / person specification for the post
- Those applying have completed an application form and a self declaration form
- Those short listed have been interviewed
- Safeguarding has been discussed at interview
- Written references have been obtained, and followed up where appropriate
- A disclosure and barring check has been completed where necessary (we will comply with Code of Practice requirements concerning the fair treatment of applicants and the handling of information)
- Qualifications where relevant have been verified
- A suitable training programme is provided for the successful applicant
- The applicant has completed a probationary period
- The applicant has been given a copy of the organisation's safeguarding policy and knows how to report concerns.

Management of Workers – Codes of Conduct

As a Leadership we are committed to supporting all workers and ensuring they receive support and supervision. All workers have been issued with a code of conduct towards children, young people and adults with care and support needs.

SECTION 4

Pastoral Care

Supporting those affected by abuse

The Leadership is committed to offering pastoral care, working with statutory agencies as appropriate, and support to all those who have been affected by abuse who have contact with or are part of the place of worship/organisation.

Working with offenders

When someone attending the place of worship / organisation is known to have abused children, or is known to be a risk to adults with care and support needs the Leadership will supervise the individual concerned and offer pastoral care, but in its safeguarding commitment to the protection of children and adults with care and support needs, set boundaries for that person, which they will be expected to keep.

SECTION 5

Practice Guidelines

As an organisation / place of worship working with children, young people and adults with care and support needs we wish to operate and promote good working practice. This will enable workers to run activities safely, develop good relationships and minimise the risk of false or unfounded accusation.

As well as a general code of conduct for workers we also have specific good practice guidelines for every activity we are involved in and these are attached/will be developed.

Working in Partnership

The diversity of organisations and settings means there can be great variation in practice when it comes to safeguarding children, young people and adults. This can be because of cultural tradition, belief and religious practice or understanding, for example, of what constitutes abuse.

We therefore have clear guidelines in regards to our expectations of those with whom we work in partnership, whether in the UK or not. We will discuss with all partners our safeguarding expectations and have a partnership agreement for safeguarding. It is also our expectation that any organisation

using our premises, as part of the letting agreement will have their own policy that meets CCPAS' safeguarding standards.

Good communication is essential in promoting safeguarding, both to those we wish to protect, to everyone involved in working with children and adults and to all those with whom we work in partnership. This safeguarding policy is just one means of promoting safeguarding.
